

VanShare Facts

How much does it cost?

Your group shares a monthly fee (approximately \$50) and must provide fuel.

If you receive an Area FlexPass from your employer, the Van Share Program will accept up to \$20 per pass toward your groups' monthly fare.

What about insurance and vehicle maintenance?

All of your maintenance and insurance coverage is provided by VanShare.

Where do you park the van?

Designated VanShare parking spaces will be arranged at the transportation hub where you meet your train, bus or ferry.

Need to work late or have an emergency?

Take a "Home Free Guarantee" cab. HFG provides emergency taxi service to Vanshare participants with an Area FlexPass in the event of illness, emergency, or unexpected overtime.

No Area FlexPass or Home Free Guarantee Program? Take "Courtesy cab". The VanShare Courtesy cab Program will reimburse you the taxi fare for a limited number of emergency rides home.

Let Metro Be the Go-Between

If you'd like to commute by bus, Sounder train or ferry, but need help getting to or from the station/terminal to your workplace (or home), VanShare is your answer.

King County Metro's VanShare program can "bridge the gap" in your commute.

- Finish your trip to work in a Metro van that's parked for your group's use at a Park & Ride, train station, or ferry terminal.
- At the end of the workday, your group takes the van back to the Park & Ride, station, or terminal and leaves it there for the next day.
- VanShare can also be used for the first "leg" of your morning commute if your group needs transportation to the Park & Ride, station, or terminal. (And then used again for the tail end of the commute at the close of the workday.)
