About the Center for Onboarding and Advancement in Retail (COAR)

The Center for Onboarding and Advancement in Retail (COAR), funded by the National Fund for Workforce Solutions, is being launched at Westfield Southcenter. We are one of three programs chosen from across the nation to build an industry partnership to promote the job skills and advancement pathways of frontline workers.

HOW WE WILL HELP YOU

✔ Profile the great career opportunities Westfield Southcenter has to offer.
✔ Offer onsite college credit-bearing classes to increase retail worker job skills.
✔ Share interesting stories and research about retail-related industry partnerships.

WHAT WE NEED FROM YOU

Information about exciting job opportunities and emerging changes in the retail industry.

OUR GOAL

Our goal is to showcase and support employers, incumbent workers and job seekers at Westfield Southcenter.
